

Adler's
DESIGN CENTER
and HARDWARE

June 12, 2008

To Whom It May Concern,

My name is Harry Adler, and I am the co-owner and President of Adler's Hardware. In the 89 years that we have been in business, we have seen many contractors come and go. I am writing to you on behalf of Tom Lopatosky, the owner of Lopco Contracting.

Tom is held in my highest regard. He is a serious, hands-on business man, who works diligently in his business every day. The feedback that I've gotten on his company's work has been uniformly excellent. In addition, Tom is a extremely nice person, who is very community oriented. I recommend Tom to many of our clients, and will continue to do so. Please feel free to contact me if you need any more information regarding Tom or Lopco Contracting.

Sincerely,

Harry Adler
