Dear: Thomas Lopezky Jr. + Staff

When I decided to have my
house painted, I contacted several
companies for estimates etc.
after reviewing what these^{co's} had to
offer, I decided to pick Lopez Co.
I was very impressed with the presentation
that Mike Donaghy brought to me.
He had 40 references for me to
visit, if I cared to. I never
visited any of them, because Mike
detailed in writing all of the things

I was looking for.
I met Tommy the
foreman of my job,
he impressed me very
much. Not only did he
explain all the details
of the job, but went

over and above in convincing me,
how the work, and good Lopez was.

The job is over now and I'm extremely happy and satisfied with the workmanship. The men were courteous, kind, and I was well for painting & they were on time, and notified me of any changes in their schedule. The quality is what these men put into my home. It is a credit to Thomas, Mike, Tommy, and the Lopez Co.

I'd like to thank the staff of the Lopez Co. for a job well done. I truly appreciate the effort employed. I would recommend the Lopez Contracting Co. to anyone.

Thank you Thomas, Mike, Tommy, and your staff, for your hard work and your great service.

Thank you for having the Lopez Contracting Co. take care of all your painting needs.

Sincerely,
Lo Brown and
