To Whom It May Concern:

It is my pleasure to write this letter in recommendation of Mr. Thomas Lopatosky of 19 Joslin Street, Providence. I feel it is most important that I share my feelings regarding this young man as a student.

Thomas is a resourceful, intelligent and highly motivated individual with the ambition and talent to contribute high-quality work in challenging circumstances. His work record will no doubt indicate, I am sure, that he is a conscientious person who strives to achieve perfection in every task he undertakes. I was his coach at Classical High School and it was obvious that this young man's impeccable character and integrity are qualities he possesses both in and out of the classroom. I am certain that Tom's reliable nature will be a definite asset in any capacity.

I enthusiastically recommend Mr. Lopatosky and would appreciate your serious consideration in this matter. Thank you for your assistance and please do not hesitate to contact me if you need any more information.

Sincerely,

Robert J. Palazzo
