Dear Tom,

I wanted to express my deepest appreciation to you and your incredible staff for the wonderful job you did restoring my home to its original beauty.

I have heard your advertisements on the radio for years and have found by experience that advertisers never quite live up to the promises they speak about, that is until I hired LOPCO Contracting - if anything you under-promised and over-delivered.

I had several companies come to my home including actual paint manufacturers who all blamed each other for the issues of peeling and bubbling. You were the only company who took the time to locate the issue and to correct the problem.

To this day neighbors and complete strangers drive by my home and just stop and stare, to me that is the ultimate compliment.

I would gladly recommend your company to anyone who is in need of your services.

Gratefully,

Alan H. Rudolph
