**To Whom It May Concern-**

***I am proud to say that I know Tom Lopatosky, Jr.***

***I would, without hesitation, refer him to any one of my own family members.***

***His eye for detail makes him a good candidate for work on historical buildings and homes.***

***In this business where anyone with a bucket of tools, a paintbrush and an old truck can call himself a Contractor...I am happy to affirm that LOPCO Contracting is a truly professional organization that stands on customer-service, timeliness, fair pricing, trustworthy, trained, supervised personnel, quality equipment/products, safe work practices and a commitment to bettering the Community.***

***After working for over twenty years on many of the beautiful, historic "painted ladies" of San Francisco, I find a like-minded artisan in Tom Lopatosky, Jr.***

***Respectfully submitted,  
Steve Pelosi, owner***
