Providence, RI 02909

Dear Tom:

Thank you so much for sending your employees to paint the 1208 crosses that we are now using as a display representing the lives of children lost to hunger and hunger-related diseases every hour around the world.

I know your time is valuable and it was so wonderful of you to donate the time of your painters to do this for us.

May God richly bless you for your servant's heart.

Sincerely,

Tessa M. Will
Management Team Chairperson
Loaves and Fishes Food Pantry
